

BRENDAN D. MOTT, MURP MANNING, APC

Brendan Mott is a dedicated urban planner at Manning, committed to sustainable design and inclusivity. His keen attention to detail and expertise in project coordination keep our planning projects running smoothly from concept through completion. With a focus on aligning client and community objectives, Brendan works collaboratively to create urban environments that enhance the well-being of their inhabitants. He brings proficiency in GIS mapping, community engagement, research, and comprehensive project delivery. Brendan's passion for integrating technical precision with innovative design strengthens Manning's multidisciplinary approach.
