

CLARENCE S. EUGENE, III

LEED GREEN ASSOCIATE

MANNING, APC

Clarence Eugene, III has worked within the architectural and construction industry since 2005. His broad experience includes a focus on retail, hospitality, healthcare, transportation, education, and places of worship projects. His leadership as a program manager for the Orleans Parish School Board has been vital to the success of the Manning-led team to establish and manage the capital projects for the ninety-one campus system. In this role, Clarence manages architectural and construction activities. He is highly proficient in the technology that supports assessments, design and construction, including 2D and 3D modeling software, and Building Information Modeling (BIM). Clarence is OSHA Certified and a LEED Green Associate.
