

TRAVIS L. MARTIN, AICP

MANNING, APC

Travis has in-depth planning experience in the non-profit and public sectors and has worked as a city planner in New Orleans and Houston. His expertise covers a full range with a special interest in land use, comprehensive planning, transportation, pedestrian and bicycle planning, urban design, and stormwater management. He is adept at funding sourcing, project management, permitting and community engagement. Travis contributes to the firm's Transit Oriented Development projects, community outreach, zoning compliance, historical research, and urban planning and design.
